

Best Workplace Environment/s

Please note: Achievements outlined in the entries should have occurred between **1 July 2022 and 1 Sept 2023**.

This award is intended for the recruitment agency/RPO that provides the most effective/best workplace environment for promoting and supporting creativity, high morale, productivity, the right for all employees to bring their authentic self to work, and collaboration on the job. Also considered are the Return on Investment in creating such an environment for staff, clients and candidates and impact on employee engagement. Crucial to this award is demonstrable action and achievement in creating a diverse workplace environment for your own staff. This year, the award also offers nominees the opportunity to demonstrate and showcase their triumphs over adversity in creating a cohesive and collaborative workplace or series of workplaces in the wake of the global Covid-19 pandemic crisis and if relevant, international conflicts outside the UK.
