

## Best Workplace for Women’s Health Issues

**Please note:** Achievements outlined in the entries should have occurred between **1 July 2022 and 1 Sept 2023**.

This award recognises organisations that offer outstanding proactive support for women employees’ health issues that may include pregnancy, miscarriage, perimenopause/menopause and other conditions. This award recognises demonstrated action and achievement in this specific arena while also providing outstanding recruitment services and retention support to the rest of the organisation.
